- High protection against cuts in palm and fingers, approved according to EN 388:2016 cut level D.
- Resistant to convective and contact cold in accordance with EN 511:2006 for protection against heat loss in cold environments and when handling cold objects.
- Powerful but soft and flexible TPR impact protection design on the back of the hand.
- Full goatskin palm provides durability and good grip in wet and dry conditions.
- Warm, soft fleece liner provides protection against cold.
- Waterproof and breathable PROTEX™ membrane provides water resistance for activities in wet conditions.
- Spandex material on the back of the hand for good fitting, greater flexibility and breathability.
- Elastic wrist with adjustable Velcro closure provides a secure but comfortable fit around the wrist.

Suitable for:

Outdoor work involving risk of cut and impact injuries and performed in cold and/or wet weather.
